The required programme emphasizes the development of personality and health through team work and fair play as well as the acquisition of basic motor skills and attitude towards physical activities. The basis of assessment for each course will be students' achievement in basic sports knowledge, basic skills, attendance and learning attitude. Courses with three different course codes are being offered with men's, women's and co-ed classes. Courses with two different course codes are being offered with men's and women's classes. All courses with one course code are co-ed classes, unless otherwise specified.

All full-time students are required to take one unit of Physical Education in the first and second terms respectively during their first year of attendance, except for Exercise Science and Health Education Majors, and Physical Education, Exercise Science and Health Majors. The total number of units earned in required Physical Education should not exceed 2. Nevertheless, students admitted to first-year-first-degree (FYFD) places with Advanced Standing (AS) and Associate Degree/Higher Diploma Holders admitted to senior-year places are only required to complete one unit of Physical Education course in either the first or the second term. The total number of units earned in required Physical Education should not exceed 1. Extra course(s) will be removed after the close of course registration and add/drop period.
